Services in South Carolina.)

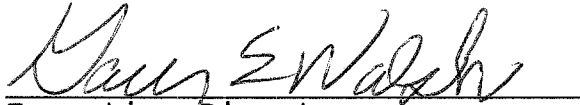

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Touch 1, Inc. (the Company) to change its name to Touch 1 Long Distance, Inc. According to the Application of the Company filed on August 30, 1994, Touch 1, Inc. desires to transfer all of its stock pursuant to a stock purchase agreement to LDDS which will subsequently liquidate Touch 1, Inc. into Touch 1 Long Distance, Inc. Since the Commission does not approve stock purchase agreements or stock transfers, the Commission will consider the Application of August 30, 1994, to be for a name change. The Commission, after a full review of the record, believes that the relief requested should be granted and that the name of Touch 1, Inc. should be allowed to be

changed to Touch 1 Long Distance, Inc. This Order shall remain in full force and effect until further Order of the Commission.
